Jayne and Martha, attached is the draft *Public Notice: Request for Comments 2014 Draft Oregon Nonpoint Source Management Program Plan*. Please provide your comments to me by **Tuesday, July 28, 2014** by 5:00 PM.

A date has yet to be set for release of the public notice. Gene suggested that we conduct very important outreach to some of our state agencies so they can talk with their stakeholders before we begin the public review. And of course, we need your review and to receive your comments and edits. Jane Hickman's suggested language for how DEQ performs the review and what we do post receiving public comments is included. And as I have mentioned before, Christine Svetkovich will be conducting the Oregon Tribes review and comment process with them. She has reviewed and provided excellent comments.

We spent much time editing to ensure the public notice is clear to read and the public understands the purpose of the Oregon NPS plan and the public review and comment process. We appreciate your comments. Any questions please email me or please call me on my cell phone at **Ex. 6 - Personal Privacy** Thanks, Don
